

“Never have I seen political activity by a regulated utility so far outside the bounds of acceptable conduct as PG&E’s sole sponsorship of the Constitutional Amendment politely referred to as Proposition 16.”

Former Energy Commissioner, John Geesman

DON'T BE SO GREEDY, PG&E!

PG&E is spending \$35M in ratepayer money to end competition from clean power CCAs like Marin Clean Energy and CleanPowerSF, and to limit competition from publicly-owned utilities, all by passing Prop 16. Rate hikes guaranteed.

BIG FAT NO ON PROP 16
